

AS#1 Family Directory Questionnaire

The AS#1 Directory is a resource for our families to get in touch with each other. It's compiled by AS#1 parents, for AS#1 families; it is not an official school document or a School District directory. Please fill out this form to let us know what information you'd like to include. PLEASE PRINT CLEARLY!

Family

- Yes, please list our family in the AS#1 Directory with the following information.
 No, do not list the name of my child or our family information in the AS#1 Directory. If I've listed information below, it is for my child's core teacher only. *Be sure to fill in the name(s) above, thanks!*
Your choice to participate in the family directory will be based on what is checked above, and will not be affected by your response to the FERPA (Privacy Act) form that was sent home at the beginning of the school year.

You can give as much or as little information as you like, and none of it is required. Keep in mind that the main purpose is for families to contact each other, so include whatever you think would be helpful.

We want to make sure no one gets left out of the directory who wants in; so please be aware that if we do not see a form returned, you may get a phone call from another parent, just to check on whether you want to participate. Thanks!

Please return this form to your child's teacher or to the office.
